

BLACKBIRD  
VINEYARDS

Updated 10/01/10

Founded in 2003 by Michael Polenske, Blackbird Vineyards is an artisanal producer of Pomerol-inspired wines from the Napa Valley. Planted in 1997, the estate vineyard is located in the heart of the Oak Knoll District—a region appreciated for its moderate climate and deep, gravelly soils. The vineyard’s valley floor topography presents optimum growing conditions for winemaker Aaron Pott to produce elegantly styled, appropriately balanced red wines that offer short and long term cellaring potential. Limited quantities are available through an allocated mailing list direct from the winery and in the finer restaurants and hotels around the world.
