BLACKBIRD VINEYARDS

DISSONANCE

WINEMAKER: *Aaron Pott*

2025 DISSONANCE SAUVIGNON BLANC

On the nose there is pear, acacia flower, almonds, lime, green apple, guava, honeydew melon, petrichor and a touch of butterscotch. the attack is rich with a creamy texture, balanced with bright acidity flavors of honeydew melon, lemon pound cake, pear, black tea and citrus. The finish is long and classically in line with the great Sauvignon Blancs of the world with pear and apricot in a long lyrical finish.
-Aaron Pott, Winemaker

DISSONANCE

"Dissonance" gets its name from being the outlier in Blackbird's red blend portfolio. For the first time, this vintage is crafted entirely from cool-climate Sauvignon Blanc, showcasing vibrant acidity and purity of fruit. Gentle lees stirring in a combination of stainless-steel tanks, small clay amphorae, and French Oak barrels enhances its texture and complexity while preserving the wine's signature freshness.
